## MAIN IDEA

The world needs wise men.

## QUESTIONS

- **Opening Scripture: Ephesians 5:15**
  - What does it mean to live carefully and wisely in today's world?
  - What are some ways we can evaluate our lives and avoid foolishness?
  - Wisdom is not just about age or experience but about evaluated experience. What does it look like to evaluate your experiences and learn from them?
- How does living in light of eternity help you make better decisions? What are some areas of your life where you need to connect today's actions with tomorrow's consequences?
- What are the "big picture" priorities that guide your decisions? How does focusing on eternal values impact your everyday life?
- This week, identify one area where you need to practice wisdom by evaluating past decisions or seeking God's guidance for the future. Share it with the group.

## CHALLENGE

**Memory Verse: Ephesians 5:15** "Be very careful, then, how you live—not as unwise but as wise."

## ADDITIONAL ACTION ITEM

Reflect on the passage from **Ephesians 6:10-18** about the armor of God. Consider how you can apply the "belt of truth," "shield of faith," and other pieces of God's armor in your daily life.
