

WEEK 1

What's something people your age feel pressure to be "good at" right now?

When you feel weak, embarrassed, or not good enough, what's your normal reaction?

- Hide it?
- Joke about it?
- Try harder?
- Shut down?

Read 2 Corinthians 12:9. What stands out to you most from this verse?

Why do you think people assume God only uses the strongest or most talented people?

The teaching said: "God's power works best in weakness." Why do you think weakness can make people depend on God more?

What's one area of weakness or insecurity students commonly carry right now?

What's one practical way you could trust God instead of hiding your weakness this week?
