Treasure Cove Small Group Guide  
Week 1 • January 31/February 1/2  
Side 1 • Small Group # 1 • 10 minutes

PRO TIP

Preschoolers are just beginning to learn what it means to be a friend to others. As you notice kids playing well next to each other, sharing a toy, or using kind words with others, celebrate it! Say something like, "Wow Max, you are being a great friend to Erin!" or "I love how nicely you are playing with the kitchen toys Rowan and Emily!"

WELCOME

Welcome each kid by name.

**Ask:** Would you rather have chewy or crunchy candy?

BIBLE

Give each kid a Bible.

**Say:**

- Today's story is a very exciting one. Let's all do our best to follow along in our Bibles. Make sure you are at the same picture that I am at as I read.

**Read:**

- Jesus And The Children: Page 409

**Review:**

- Have you ever wished that you were older?
- What do you want to do when you are older?
- Turn to page 411.
- Jesus told his friends, who were grown-ups, "You must become like these little children if you want to enter God's kingdom."
- What did Jesus think the kids were doing right and grown-ups were doing wrong? Ex. Kids are good at learning about Jesus, just like what you are doing right now! Kids are good at trusting grown-ups just like grown-ups should trust God.

Continue to review and discuss until Large Group.

PRAY

Ask if anyone has anything they would like to pray about before you pray.

**Pray:** Dear Jesus, thank you for loving us. We know that we are never lost; your love is everywhere we go. Amen.

ACTIVITY

Take out the Cotton Rounds and scatter them around the floor. Make sure that the one Cotton Round with the Heart has the heart facing down to the floor so no one can see it.

- Remember how in our story Jesus said God is like a shepherd who goes looking for their lost sheep? We are going to pretend these cotton rounds are sheep. One of them has a heart sticker on the other side.
- Let kids select a sheep cotton round. Identify who found the sheep with the heart. Celebrate when the sheep with the heart is found.
- Jesus loves us the same way a shepherd loves his sheep. I'm so glad that Jesus loves me and Jesus loves you. Who loves you?
- Spread out the cotton rounds and play again.

**Make the most of your Small Group time by getting to know the kids in your group! Ask them questions about their favorite snack, which movies they enjoy watching, or what pet they would like to have. Week 4 • February 21/22/23

Side 1 • Small Group # 1 • 10 minutes

PRO TIP

**Remembering the Memory Verse can be difficult for some kids. Try to put the words of the verse to the tune of a familiar song, like Twinkle Twinkle Little Star. Practice singing part of the verse for your group before inviting them to sing along. This helps to make memorizing scripture easier, memorable, and more fun for kids!**

WELCOME

**Welcome each kid by name.**

**Ask:** *If candy could talk, what do you think it would say?*

BIBLE

**Give each kid a Bible.**

**Say:**

- *Every month we learn a Memory Verse. Learning verses helps us remember how much God loves us. When you remember a verse, you're keeping God close to you.*
- *It is our last week to memorize our Memory Verse this month. Let's get it down so that when we see it in our video we can say it loud and proud!*

**Review:**

- Have kids pass the Bean Bag around the circle for every word in the Memory Verse.

PRAY

**Pray:** Dear Jesus, we know that you do not want to punish us. You want to love us. Thank you for showing us how much you love us in our Bible story today. Amen.

ACTIVITY

**Say:** We heard a story today about a woman who Jesus loved even though she did something

that God didn't want her to do. Let's play a game where we might make a mistake, but even if we make a mistake, who loves you? Jesus loves me!

Take out the Cups and Snowball.

- Give every kid a Snow Cone Cup.
- Take out the Snowball place it on your cup. Show kids how it looks just like an ice cream cone!
- Pass the snowball to the kid sitting beside you without touching the snowball. Instruct kids to continue passing the snowball around the circle, only using the cup to pass it.
- If the ball drops, ask "Who loves you?" kids should respond with "Jesus loves me!" Let them pick up the snowball and continue playing.

QUESTIONS

**Say:**

- This week, be loud with love! Look for chances to tell someone, 'Jesus loves you!' – because those three words can change a whole day.
