

# Keep Going Because Of What God Has Done

Younger Elementary Small Group Guide  
Week 1 • May 2/3/4  
Side 1 • Small Group # 1 • 10 minutes

PRO TIP

Kids feel safe when someone friendly is by their side, showing them the ropes. And they have the most fun when they feel like they belong—when they're part of a community that's full of energy, kindness, and joy. Let's create a place where every kid can't wait to come back—because they felt loved, had a blast, and met people who truly cared.

WELCOME

**Welcome each kid by name.**

**Ask:**

- Would you rather climb a really tall mountain or walk through a deep forest?
- Last week you were challenged to Trust Jesus more by picking one thing to turn away from and trust Jesus with. How did that go?

PRAY

Ask kids to share one thing they are thankful for today. **Pray:** Dear God, thank you for {list things kids mention}. Help us remember these good things when life gets hard. We are wanting to learn more about you today in your book, the Bible. Amen.

BIBLE

**Give each kid a Bible.**

**Say:**

- It is a new month and a new Memory Verse to start memorizing! Let's look it up together.

**Read:**

- Galatians 6:9

**Review:**

- What is something good or kind you can do for someone?
- Is it sometimes hard to do the right thing?
- What does it mean to keep doing good even when it's hard?

**Continue to review and discuss until Large Group.**

# Keep Going Because Of What God Has Done

Younger Elementary Small Group Guide

Week 1 • May 2/3/4

Side 2 • Small Group # 2 • 15 minutes

## ACTIVITY

Take out the Butcher Block Paper and place it in the center of your Group.

- You can write the Memory Verse very large in the center, or if your kids are able to, you can let them take turns writing words.
- Ask everyone to draw a picture of an example from their own life of something good they get tired of doing, or something they hope happens if they don't give up. (Ex. Homework, getting good grades, being a good friend, sports practice, chores)
- Discuss the pictures your Group drew.

## CHALLENGE

*You should all have this month's Memory Verse DOWN! So, your challenge this week, is to encourage one person by sharing this month's Verse. You can share it with them word for word, or you can put the Verse in your own words to encourage them. You can even use it to encourage yourself when you are facing hard things. It is a powerful Verse!*

## DISCUSSION QUESTIONS

### Ask:

- Can you think of a time you helped someone?
- What could you do if a friend drops their toys?
- How can you be kind to someone at school or church?

**Remain in Small Group until Parent Pick Up.**

## TAKE HOME

As kids leave, remind them of their challenge this week.

**Let's not become tired of doing good. At the right time we will gather a crop if we don't give up. Galatians 6:9**

# Keep Going And Ask If You Have Hard Questions About God

Younger Elementary Small Group Guide

Week 2 • May 9/10/11

Side 1 • Small Group # 1 • 10 minutes

PRO TIP

Let's go the extra mile to make sure every new kid feels seen, safe, and celebrated from the moment they walk in. Make sure they get their first-time kid resources, and help them feel comfortable by staying close, introducing them to others, and letting them know what to expect next.

WELCOME

**Welcome each kid by name.**

**Ask:**

- *Would you rather find a hidden waterfall or spot a wild animal while on a hike?*
- *Last week you were challenged to encourage one person using this month's Memory Verse! Who did you encourage?*

PRAY

Ask kids to name one person who they are thankful for. **Pray:** *Dear God, thank you for {list the people who were mentioned}. We might have many questions today about who you are, so please help us be brave and explore our questions, even if we don't get answers! Amen.*

BIBLE

**Give each kid a Bible.**

**Say:**

- *Have you ever needed help understanding something? In today's story, God sends Philip to help a man understand the good news about Jesus.*

**Read:**

- Acts 8:26-40

**Review:**

- *Who helps you learn about Jesus?*
- *Have you ever helped a friend understand something?*
- *How can you be a good helper like Philip?*

**Continue to review and discuss until Large Group.**

# Keep Going And Ask If You Have Hard Questions About God

Younger Elementary Small Group Guide

Week 2 • May 9/10/11

Side 2 • Small Group # 2 • 15 minutes

## ACTIVITY

**Say:** *We are talking all about having hard questions about God. I know that when I have a hard question about God, it makes me feel uncomfortable. But having questions about God is a good thing! It makes our relationship with him stronger.*

- Give everyone a Questions For God Activity Page.
- Let your Group take time to draw pictures of things they are wondering about God or write down questions they have.
- Then invite them to share with the Group and discuss!

## CHALLENGE

*Your challenge this week is to explore one of the questions you have for God. You can ask a grown-up to help you look for answers on the web or in books in the library! You can ask friends or family what they think the answer to your question is. Get curious and start exploring. Some of our questions we might never have an answer to, and that is ok, but that shouldn't stop us from giving up asking!*

## DISCUSSION QUESTIONS

**Ask:**

- *What should you do if you feel like quitting being kind?*
- *Who can help you keep doing good when it's hard?*
- *How do you think someone feels when you do something kind for them?*

**Remain in Small Group until Parent Pick Up.**

# God Can Help You See Things In A New Way

Younger Elementary Small Group Guide  
Week 3 • May 16/17/18  
Side 1 • Small Group # 1 • 10 minutes

PRO TIP

Kids will be more engaged, excited, and willing to learn when they feel seen and known. Take the time in Small Group to ask kids about their week, learn what they enjoy doing, and have fun together! This helps to form trusting relationships and open their hearts to experience God.

WELCOME

Welcome each kid by name.

**Ask:**

- Would you rather carry a backpack full of snacks or carry a backpack full of toys?
- Last week you were challenged to explore a potential answer to one of the questions you had about God. What did you discover?

PRAY

**Pray:** Dear God, you can help us see things in a new way. Help us see ourselves and others the way you do. Thank you for always being ready to change our hearts. Amen.

BIBLE

Give each kid a Bible.

**Say:**

- Today we're going to hear a story about Saul, who couldn't see the way to follow Jesus—until God helped him see things in a whole new way!

**Read:**

- Acts 9:1-19

**Review:**

- Has anyone ever helped you learn something new?
- How do you feel when someone forgives you?
- How can we help others learn about Jesus like Ananias helped Saul?

Continue to review and discuss until Large Group.

# God Can Help You See Things In A New Way

Younger Elementary Small Group Guide  
Week 3 • May 16/17/18  
Side 2 • Small Group # 2 • 15 minutes

## ACTIVITY

**Say:** *When Saul was blind, he had to listen very carefully to what God was telling him. Sometimes when we feel like we can't 'see' what God is doing, we need to stop and listen. We might hear God telling us to see something in a new way.*

- Ask for a volunteer to be the listener and have them sit in the center of the Group.
- Explain that when their eyes are closed, you will select a noise maker in your Group. That person will make a slight noise like patting the carpet, rubbing their hands together, or whispering to a neighbor.
- The listener will have to point the direction they think the noise came from.
- If they guess the correct direction, the noise maker gets to sit in the center. If not, they go again.

## CHALLENGE

**Say:** *I want everyone to think of one person in your life who you see the most. God can help you see things in a new way- so your challenge is to pray every day this week for that person. Ask God to help you see them the way he sees them. Ask him to help you have appreciation and understanding for who they are.*

## DISCUSSION QUESTIONS

**Ask:**

- How do you think Saul felt when Jesus talked to him?
- What can we learn about listening to God?

**Remain in Small Group until Parent Pick Up.**

## TAKE HOME

As kids leave, remind them of their challenge this week.

**Let's not become tired of doing good. At the right time we will gather a crop if we don't give up. Galatians 6:9**

# Don't Give Up On God When Bad Things Happen

Younger Elementary Small Group Guide  
Week 4 • May 23/24/25  
Side 1 • Small Group # 1 • 10 minutes

PRO TIP

As a Leader, we can remind the kids in our group that God is with them, no matter what. One way we can do this is by showing up in unexpected places. Send kids a note in the mail, surprise them at their basketball game, or simply stop them in the atrium after the gathering to let them know you are there for them and God is too—no matter what!

WELCOME

**Welcome each kid by name.**

**Ask:**

- *Would you rather walk on a sunny trail or walk on a trail with lots of shade?*
- *Last week you were challenged to pray for someone in your life every day and ask God to help you see them in a new way. How did that go?*

PRAY

**Say:** *Praying is one of the best things we can do when good things happen and when bad things happen. God loves it when we talk to him, even if we are frustrated or mad. If you start talking to God regularly, you will find you can face hard things because God is with you.*

**Pray:** *God, thank you for always being there, ready to talk to us. Please help us remember you are always ready to help us during our day no matter what is happening. Amen.*

**Give each kid a Bible.**

**Say:**

- *Today we're going to hear a story about Paul on a scary stormy ship, and how he kept trusting God even when things were really hard!*

**Read:**

- Acts 27:1-12

**Review:**

- *How do you think the people on the ship felt when the storm started?*
- *How can praying or asking God for help make us brave like Paul?*

BIBLE

**Continue to review and discuss until Large Group.**

# Don't Give Up On God When Bad Things Happen

Younger Elementary Small Group Guide  
Week 4 • May 23/24/25  
Side 2 • Small Group # 2 • 15 minutes

## ACTIVITY

**Say:** *In our Bible story today, Paul was on a long, difficult journey, or a trek. But he was strong in his faith and clung to his trust in God. Let's work on our strength!*

- Give kids different actions to repeat to test their strength. As they are completing their actions, have them repeat the Bottom Line or Memory Verse.
- Start with these:
  - Jumping Jacks
  - Mountain Climbers
  - Jump Over Rocks
  - Take Deep Breaths Of Mountain Air

## CHALLENGE

**Say:** *We were all inspired by the stories from our Leaders of how they served during Impact PA! We can do things like that, too! They don't need to be big and elaborate. God uses simple acts of kindness to make a big difference in the world. I want everyone to do one simple thing to make someone smile every day this week. You got this!*

## DISCUSSION QUESTIONS

**Ask:**

- *Have you ever felt scared during a storm?*
- *Who helps you feel safe when things are scary?*
- *How can we trust God when we are afraid?*

**Remain in Small Group until Parent Pick Up.**

## TAKE HOME

As kids leave, remind them of their challenge this week.

**Let's not become tired of doing good. At the right time we will gather a crop if we don't give up. Galatians 6:9**

# God Will Make Everything Right In The End

Younger Elementary Small Group Guide  
Week 5 • May 30/31/June 1  
Side 1 • Small Group # 1 • 10 minutes

PRO TIP

Memorizing scripture can be hard for some kids. Using their body can make it easier. After practicing today's game as a group, invite kids to think of ways they can replicate the activity at home and memorize God's word.

WELCOME

**Welcome each kid by name.**

**Ask:**

- *Would you rather cross a small stream or walk over big rocks?*
- *Last week you were challenged to make someone smile every day. How did that go?*

PRAY

**Pray:** *Dear God, thank you for bringing us all together today! Help us have happy hearts and curious minds as we learn about you. Open our eyes to see your amazing stories, and help us hear what you want to teach us in the Bible. Thank you for loving us and for being with us every step of the way. We're so excited to learn from you today! Amen.*

**Give each kid a Bible.**

**Say:**

- *Today we're going to hear a verse that tells us that one day God will make everything right, wipe away all our tears, and we will be happy and safe with Him forever!*

**Read:**

- Revelation 21: 3-4

**Review:**

- *Who will live with God?*
- *What will God do to make everyone feel better?*
- *What will not happen anymore—like being sad or hurt?*

**Continue to review and discuss until Large Group.**

BIBLE

# God Will Make Everything Right In The End

Younger Elementary Small Group Guide  
Week 5 • May 30/31/June 1  
Side 2 • Small Group # 2 • 15 minutes

## ACTIVITY

**Say:** For our Bible time today, I'm going to divide you into groups of two and give each group a category. Your group will have to act out the Memory Verse in that category! For example, if I said FARM ANIMAL, your groups could pretend to be farm animals or use a farmer voice as you recite the Verse!

- Divide your group into teams of two and give each team a category, like superhero, ocean, ninja, princess, zookeeper etc.
- Give teams a couple of minutes to decide how they want to recite the Verse, and then have them share with the Group.

## CHALLENGE

**Say:** Our series this week was all hiking themed. So, your challenge this week is to go for a prayer walk. You can walk around your house or yard, you can walk around the playground or park, or you can go on an actual hike. While you walk, talk to God. It might feel silly at first, it will probably feel like you are just talking to yourself, so give yourself pauses to listen to see if God talks to you. He might put thoughts in your head that weren't there before, or he might make your body feel calm when it was feeling something else. Give it a shot-one prayer walk this week!

## DISCUSSION QUESTIONS

**Ask:**

- How do you think it will feel when God makes everything new?
- How does it make you feel to know God wants everyone to be happy and safe?

**Remain in Small Group until Parent Pick Up.**

## TAKE HOME

As kids leave, remind them of their challenge this week!

**Let's not become tired of doing good. At the right time we will gather a crop if we don't give up. Galatians 6:9**
