Week 1 • August 2/3/4

Side 1 • Small Group # 1 • 15 minutes

**Welcome each kid by name.**

**Ask:**

- Raise your hand if you like giraffes.
- Raise your hand if you like elephants.

**Give each kid a Bible.**

**Say:**

- The Bible is a big book all about how God loves us. Let's give our Bibles a big hug before we start to read!
- Let's use our kind and gentle hands to follow along with this story in the Bible.

**Read:**

- The Beginning: Page 7

**Review:**

- Turn to Page 8 and show your Group the picture. **Say:** What did God make here?
- Turn to Page 9 and show your Group the picture. **Say:** God also made more things! What did he make here? Wow! God is so powerful. He made everything!

**Pray:** Dear God, thank you for making everything in the whole world. Please help (say each kid's name) to remember you can make and do anything! We love you. Amen.

Take out the Nightlights and give one to each kid.

- **Say:** On Day 1, God created light. Before there was light, there was darkness.
- Put your Nightlight in the palm of your hand and cover it up with your other hand.
- **Say:** Just like this! It was dark and then God created light!
- Take your hand off of the Nightlight to show the kids your light.
- Continue to cover and uncover, showing the difference between light and darkness.
- As you switch between the dark and light, prompt kids to share the Bottom Line.
- If time allows, each kid can cover the Nightlight while sharing the Bottom Line.

**Continue the activity until Large Group.**

Week 1 • August 2/3/4

Side 2 • Snack Time • 10 minutes

SNACK TIME

**Provide snack to kids while they are seated around a table.**

- Review the Bottom Line
- Say the Memory Verse for your Group

**Two-year-olds struggle to stay in Small Group during this time, however there is value in having them sit in a community. Leverage the tool of a snack and creative conversation to help kids remain seated around the table until Parent Pick Up.**

TAKE HOME

As kids leave, prompt them to share the Bottom Line with their grown-ups.

PRO TIP

**Did you realize that the order of the gathering is not just for fun, but it is intentionally created to support the development of two-year-olds? Toddlers thrive on routine. The more they experience the gathering in the same order each week, the more willing they will be to participate in the gathering and grow in their faith.**

**God saw everything he had made.  
And it was very good. Genesis 1:31**

Star Telescope

- Share with adults that today we made our own telescopes, so that we can see the sun, moon, and stars that God made. God made everything!

PRO TIP

**Kids love choices, but too many choices can be overwhelming for some two-year-olds. During playtime, instead of asking a kid what they want to do, provide two choices. Say, "Would you like to play with the blue car or red car?" or "Do you want to feed the baby doll or push it in the stroller?" This gives kids a choice without overwhelming them!**

PRO TIP

**There will be times when two-year-olds will choose to do something that is not safe or a good choice. Instead of telling a child "no," try to redirect them by telling them something they can do.
