

You Can Trust God No Matter What

Younger Elementary Small Group Guide

Week 1 • August 2/3/4

Side 1 • Small Group # 1 • 10 minutes

PRO TIP

Sharing aloud with a whole group can be uncomfortable for some kids. When asking kids to share, allow them a few moments to think by themselves. Then invite them to share with a friend sitting near them. This helps them contribute to a faith community while remaining comfortable.

WELCOME

Welcome each kid by name.

Say: *I want everyone to take a minute and think of the best thing that happened to you this week. Pause to allow kids to think. Then share the best thing that happened to you, and pass a bean bag around your Group allowing everyone else to share.*

PRAY

Say: *When we pray, we talk to God. It is helpful during this time to fold our hands and close our eyes. This shuts out any distractions that might be around us. Is there anything that anyone would like to talk to God about today?*

Pray: *God, thank you so much for helping us learn and understand your big story. You knew from the very beginning that we would need help from you and Jesus. We are so thankful that you love us so much. Amen.*

Give each kid a Bible.

Say:

- *In today's true story from the Bible, we're going to hear how God made the heavens and the Earth and everything in them—including people. It was wonderful! Let's go find out more!*

BIBLE

Read:

- Genesis 1:27

Review:

- *Who made people?*
- *How does it feel to know God made you?*
- *What could you say to God to thank him for making you?*

Continue to review and discuss until Large Group.

You Can Trust God No Matter What

Younger Elementary Small Group Guide
Week 1 • August 2/3/4
Side 2 • Small Group # 2 • 15 minutes

ACTIVITY

Give each kid a Comic Activity Sheet. Guide the kids to fold the page in half along the dotted line to create a book. Use these questions to help kids fill in the empty spaces.

Ask:

- *What do you think is happening here?*
- *What are some ways you can remember God's love when you're feeling hurt or rejected?*
- *How do you think God could bring something good out of this situation?*

Repeat the same steps for the second page:

- *Have you ever felt like you did something so bad that you really messed up a relationship?*
- *How do you think God sees you, even when you have messed up?*
- *What do you think God wants you to remember when you have messed up?*
- *How can you show love to this person like Jesus?*

I love reading all your comic books! It's cool how they all started the same way, but you each made them your own. In life sometimes people hurt us or we hurt other people, like in our comics. But that doesn't mean God doesn't still love us. He always, always loves us.

CHALLENGE

Say: *God has never given up on us, He has never stopped loving us, and we can trust that nothing will ever change God's love for us. The point is this: you can trust God no matter what. Because even when you make a bad choice, you can always trust God!*

This week, your challenge is to tell three people that God loves them!

DISCUSSION QUESTIONS

Ask:

- *How can we show kindness to someone even when they have been unkind to us?*
- *How can we show God that we love him?*

Remain in Small Group until Parent Pick Up.

You Can Trust God Even When You Don't Understand

Younger Elementary Small Group Guide

Week 2 • August 9/10/11

Side 1 • Small Group # 1 • 10 minutes

PRO TIP

This week's Bible Story may be familiar to many kids. It is important to remember that just because they have heard a story, they may not have thought about it in a new way or applied it to their lives. Encourage kids to engage with the story and think about it in new ways, even if they have heard it before.

WELCOME

Welcome each kid by name.

Say:

- *I want everyone to take a minute and think of the best thing that happened to you this week. Pause to allow kids to think. Then share the best thing that happened to you and pass a bean bag around your Group allowing everyone else to share.*
- *Last week, you were challenged to tell three people God loved them. How did that go?*

PRAY

Give everyone a Bible to hold onto as you pray.

Pray: Dear God, as we are about to open our Bible and learn more about you, I would love for everyone here to be inspired by your big story. You have created this world and everyone in it. And the most important stories that show us who you are and who we are, are in this big book. Thank you for this gift. Amen.

BIBLE

Give each kid a Bible.

Say:

- *In the very beginning, God made the whole world—light and land, animals and oceans, people and plants. And people were extra special—they were made in God's image! That means we're made to show others what God is like: loving, kind, and fair.*
- *But people turned away from God. They stopped trusting him and started doing whatever they wanted—even things that were hurtful and wrong - but one man stood out. His name is Noah.*

Read:

- Genesis 6:9

Review:

- *Was Noah a good man or a bad man?*
- *Who did Noah walk with?*
- *What do you think it meant that he walked with God?*

Continue to review and discuss until Large Group.

You Can Trust God Even When You Don't Understand

Younger Elementary Small Group Guide

Week 2 • August 9/10/11

Side 2 • Small Group # 2 • 15 minutes

ACTIVITY

Say: Noah trusted God to lead him through the EPIC assignment of building the ark and God brought animals to him two-by-two.

- Shuffle the Animal Matching Card Set.
- Lay the cards face down in grid pattern on the floor (five columns and four rows).
- Allow kids to turn over two cards to make a match.
- If a match is made, the kid keeps the match and takes another turn. If no match is made, set the two cards back in place. The kid to their left goes next.

CHALLENGE

Say:

- *When we think about Noah, we can remember that even though we might not know exactly what God is doing, we can trust him. He is always good! So even if we can't see what's ahead, even when we don't understand, we can trust that he is good and he is doing something good!*
- *Because God is always good, we can trust him no matter what! So, when we face hard things and don't understand what is happening, we can ask him for help. We can ask him to help us hold his hand through the dark and scary parts and trust he will lead us through.*
- *This week, your challenge is to memorize the Memory Verse and share it with one other person!*

DISCUSSION QUESTIONS

Ask:

- What's your favorite animal that God made?
- Would you obey God if he asked you to build an ark?

Remain in Small Group until Parent Pick Up.

TAKE HOME

As kids leave, remind them of their challenge this week.

You Can Trust That God Has A Plan

Younger Elementary Small Group Guide

Week 3 • August 16/17/18

Side 1 • Small Group # 1 • 10 minutes

PRO TIP

Make this week personal by asking kids what they can trust God with. Then next week, refer back to it again. Whether you are writing a note of encouragement for them during the week as they trust God with a big game, praying with them as they show trust in God through a difficult friendship, or providing a verse for them to remember as they trust God with feelings of anxiety as a new school year begins, you are showing up for kids in a big way, and pointing them to Jesus.

WELCOME

Welcome each kid by name.

Say:

- *I want everyone to take a minute and think of the best thing that happened to you this week. Pause to allow kids to think. Then share the best thing that happened to you and pass a bean bag around your Group allowing everyone else to share.*
- *Last week you were challenged to memorize this month's Verse. How did you do?*

PRAY

Pray: *God, thank you for the reminder that we can trust you because you are good and you have a good plan. Teach us to know you are good, so we trust you in everything. Amen.*

BIBLE

Give each kid a Bible.

Say:

- *God never gives up on us. We can trust that God is with us always. Today's story is about a family who God had big plans for.*

Read:

- Genesis 12:1-3

Review:

- *What did God tell Abraham to do?*
- *Did God tell Abraham where he was going?*
- *What do you think it means to be a blessing to others?*
- *Just because the Bible is done being written doesn't mean God is done writing stories. Did you know that you're part of God's big story too?*

Continue to review and discuss until Large Group.

You Can Trust That God Has A Plan

Younger Elementary Small Group Guide

Week 3 • August 16/17/18

Side 2 • Small Group # 2 • 15 minutes

ACTIVITY

Say: *We're going to play a game where we have to take turns trusting! You won't be able to see - you'll just have to listen to our voices as we call out instructions to lead you back to our group. Make sure to listen closely so you know how to come back to us!*

- Place the Paw Print Squishes on the floor as "obstacles."
- Instruct your Group to sit off to the side away from the Squishies.
- Choose a kid to be "the walker."
- Blindfold them and lead them to a starting spot.
- The Group is to help the "walker" move safely to the identified finishing spot using only their voice (no touching!), and without stepping on any Paw Print Squishies.
- The Group can say things like, "Take one step forward," "Turn right," or "Stop!"
- Continue until every kid gets a turn to walk.

CHALLENGE

Say:

- *Just like you trusted our group to guide you, Abraham trusted God to lead him to a brand-new place. Even though he couldn't see where he was going, he believed that God had a good plan.*
- *Your challenge this week is remember God is with you in three different places. Maybe you will be at the pool, the grocery store, or driving in the car with your grown-ups. Stop and imagine God being with you wherever you are.*

DISCUSSION QUESTIONS

Ask:

- *What was it like to trust someone when you couldn't see?*
- *Was it hard or easy to follow their voice?*
- *Share an age-appropriate story of a time you trusted God even though you didn't know how things were going to work out.*
- Review the Bottom Line
- Review the Memory Verse

Remain in Small Group until Parent Pick Up.

You Can Trust That God Is With You

Younger Elementary Small Group Guide

Week 4 • August 23/24/25

Side 1 • Small Group # 1 • 10 minutes

PRO TIP

Some younger elementary schoolers may not be confident at writing. During the activity, encourage kids to write their responses the best they can, and consider offering to write some of their words down for them. Either way, prioritize kids writing their own responses. This helps them to feel bigger ownership and connection with the big things they are writing.

WELCOME

Welcome each kid by name.

Say:

- *I want everyone to take a minute and think of the best thing that happened to you this week. Pause to allow kids to think. Then share the best thing that happened to you and pass a bean bag around your Group allowing everyone else to share.*
- *Last week, you were challenged to imagine God with you in three different places. Where were you and what was it like to imagine God being there with you?*

PRAY

Give every kid a Bible to hold as you pray.

Pray: *Dear God, thank you for this book, which shows how faithful you are. When we feel like we can't see you, help us know that you are with us. Teach us to live every moment knowing that you are with us. Thank you for loving us so much. Amen.*

Give each kid a Bible.

Say:

- *Last week, we learned how God chose Abraham and promised to bless the whole world through his family. Abraham's son Isaac had two sons: Esau and Jacob. Jacob ended up betraying his brother and ran away because he was afraid of the consequences.*
- *One night while Jacob was alone, he had a dream of a stairway reaching up to heaven with angels going up and down. God spoke to Jacob, let's see what he said.*

BIBLE

Read:

- Genesis 28:15-16

Review:

- *What did Jacob say when he woke up?*
- *Who watches over you and makes you feel safe?*
- *What would your dream look like if God talked to you while you were asleep?*

Continue to review and discuss until Large Group.

You Can Trust That God Is With You

Younger Elementary Small Group Guide
Week 4 • August 23/24/25
Side 2 • Small Group # 2 • 15 minutes

ACTIVITY

Take out the Construction Paper Strips and give two to each kid.

- **Say:** *On one strip, you will write about a time when you made a selfish choice (For example: being impatient, not sharing, always thinking about ourselves first, etc.) On the other strip, you will write the Bottom Line.*
- Help the kids tape the two strips together at the end with the strips, forming a right angle.
- Fold each strip over the other to "interlock" the pieces. Once folded, it will form a chain.
- Tape the top of the chain to secure the papers.
- **Say:** *Wow! You all did a great job making your Jacob's Ladder paper chains! This paper chain reminds us of Jacob's dream when he saw the stairway with angels going up and down and God standing beside it.*
- *We also made those ladders personal. On one piece of paper, you wrote down some of your bad choices. On the other is one of the promises God made to us as his friends. This promise is truth about God! God will always love us! He is always with us! He always forgives us!*

CHALLENGE

Say:

- *Remember: God's promises are always true. God will always love us, God will always forgive us, and God will always help us. You can always trust that God is with you, even when things are hard or we mess up.*
- *Your challenge this week is to hang your Jacob's ladder beside where you sleep at night and remember at the end of each day that you can trust that God is with you.*

DISCUSSION QUESTIONS

Ask:

- *How do you think Jacob felt when he realized God was with him in that place?*
- *Have you ever felt like you made a mistake and God wouldn't love you? What does Jacob's story say about that?*
- *Share an age-appropriate story of a time you knew God was with you after you messed up.*
- Review the Bottom Line
- Review the Memory Verse

Remain in Small Group until Parent Pick Up.

TAKE HOME

You Can Trust God When Things Get Tough

Younger Elementary Small Group Guide

Week 5 • August 30/31/September 1

Side 1 • Small Group # 1 • 10 minutes

PRO TIP

Remember that this time of year is a big transition for many kids! As they get ready to start back to school, take extra time to connect with them. Ask them about their teachers, classrooms, and friends. Listen for the things they may be worried about and pray with them as they move into a new grade and start a fresh school year.

WELCOME

Welcome each kid by name.

Say:

- *I want everyone to take a minute and think of the best thing that happened to you this week. Pause to allow kids to think. Then share the best thing that happened to you and pass a bean bag around your Group allowing everyone else to share.*
- *Was anyone able to hang their Jacob's ladder by where they sleep and remember God is with them every day? How did that go?*

PRAY

Pray: *Dear God, thank you so much for the reminder today that we can trust you when things get tough. Help us, Holy Spirit, turn to you when we feel worried or don't know what to do. Help us remember to trust and believe that you love us and want to help us. Thank you for loving us so much. Amen*

Give each kid a Bible.

Say:

- *A long time ago, God promised Abraham that he would bless the world through his family. Abraham's great-grandson, Joseph, was his father Jacob's favorite son. Joseph's brothers were jealous and sold him as a slave.*
- *Then, many years later, Joseph became a great leader and ran into his brothers again.*
- *Let's see how Joseph responded to his brothers after they treated him so awfully!*

Read:

- Genesis 45:4-5

Review:

- *Did Joseph get mad at his brothers?*
- *How do you think Joseph forgave his brothers?*
- *Can God use tough things to make good things?*

CHALLENGE

Say:

- *Joseph's story reminds us that even when things go wrong, God is still working. We can trust God when life gets hard.*
- *Your challenge this week, is whenever you face something that is tough- like going back to school, being kind to someone who is unkind to you, or listening to a grown up when you are distracted- think about trusting God with that moment. Close your eyes, take a deep breath, and think of the words, "Trust God." You've got this!*
