## Week 1

What's one thing you do every day, no matter what?

In your own words, what does it mean to connect with God?

On a scale of 1 to 10, how often do you try to connect with God in your everyday life?

What might make it challenging for a middle schooler to connect with God?

Read John 15:5. How might connecting with God help us get to know God better?

How does Jesus make it easier for us to do both?

Next Step: This week, what's one way you can spend time with God? Who is one person in your life you can ask to help you make this a part of your everyday life?
