## What Are You Worshiping - April 24 or 28

This week we're setting the stage to help students identify what true worship looks like and how it's lived out. In order to get there though, we need to lead students to identify what they're putting before God in their lives, what their idols are, and, ultimately, what they're worshiping. Then, help them determine the best way to make God the priority in their lives. Only then can true worship begin to happen.

What would be your favorite concert or sporting event to attend? Why?

What would you say is the definition of worship? Why would you describe it that way?

We talked about how everyone worships—even people who don't believe in God. Do you agree with that? Why or why not?

What do you think students your age worship most in their lives? Why do you think they worship those things?

### Read Romans 1:25

What do you think this verse is talking about?

How have you done this in your own life? Why do you think that is?

Would you say it's hard to keep God #1 in your life? Why or why not?

What is the thing you worship in your life—the thing you know you put before God? Why do you value that thing so much?

**Next Step:** What will you do to change things to make God number one in your life? How can we as a group help you with that? How can you keep God number one in your life?

**Pray:** Pray to put God back where He belongs. Pray that God would remain number one. Pray to stop worshiping the thing we are putting before God.
