

Week 1

If you had to make a rule for the world to follow, what would it be?

What's one decision you made today that seemed easy? What's a decision you've made recently that felt important?

How did you go about making that big decision?

When you make decisions, who or what usually influences your choice the most? (Friends, parents, people online, etc.?)

Read Proverbs 11:3. How would you define "integrity" in your own words?

Who in your life does a good job at showing integrity? Tell us how they show it!

This week, what's one way you can show integrity:

- a. At school?
- b. At home?
- c. With your friends?
- d. On social media?
